Dear Mr. Hill:

Congratulations. Your entry in the Caltrans 2004 "Excellence in Transportation" awards contest has won! Your project was selected from 101 entries from across the State.

Caltrans is proud to showcase the work of local and public agencies, private contractors and consultants, and our own 12 Caltrans districts who are working hard to improve and enhance California's transportation system. Our judging panel of professional engineers, environmental specialists, transportation planners, and landscape design experts deemed your project to be exemplary.

I thank you for entering your project in the Caltrans "Excellence in Transportation" awards program. Arrangements are being made for either a Caltrans representative or myself to personally present you with your award. I look forward to this occurring soon.

Sincerely,

A handwritten signature in black ink that reads "Will Kempton".
